Dear Parks:

On behalf of my congregation, I would like to write this letter to you for a job well done!

Our Church is worshipping in the facility in 1500 Palomino way, Oviedo, FL 32765 finished on November, 2002 with your assistance in overcoming the obstacles during the construction. Thank you for your patience and outstanding performance in this endeavor!

We are very pleased with our worship center and would welcome other churches to see our facility. My church representative Gary Lee was deeply involved in this project and is available at (407)673-5025 to answer questions.

Thank you & May God Bless your endeavors in serving the Lord!

Sincerely,

Louis Shaw.
