1221 E. Broadway Street, Ste. 100
Oviedo, FL 32765

Dear Mr. Procell,

I would like to take this opportunity to thank you and your entire staff for the efforts you have put forth in the completion of our new gymnastics facility. Your attention to detail and follow-up have been well recognized by our staff and customers.

The facility is beautiful and has been well received by the community of Oviedo. In addition, I truly appreciate your continued efforts to ensure that our operations run smoothly. You are always willing to assist with issues as they arise which has given us a sense of comfort as we continue to grow.

Thank you again, and I look forward to working with you and Wilson & Company in the future.

Sincerely,

Scott Johnson
