Dear Parks,

On behalf of Marine Fasteners, I would like to tell you what a pleasure it was to do business with Wilson & Company.

You and your superintendent Buddy were very easy to work with and you went out of your way to comply with all our requests. You were also very helpful in making suggestions and recommendations to help solve our needs.

I would highly recommend you and your company to anyone seeking an excellent contractor.

Sincerely,

Carl W. Brantley, Jr.
