*Re: South Star Service Center*

Dear Sir/Madam,

Wilson & Company performed as General Contractor for the 70,000 SF South Star Service Center for our company, South Star Development Inc. The project is a mixed-use service center with a 20,000 SF multi tenant office combined.

We were pleased with the successful project and would not hesitate to utilize Wilson & Company again in our future projects.

We would recommend their company to any developer or Owner seeking a General Contractor with integrity and excellent construction abilities.

We are at your disposal for any further information you may find necessary.

Sincerely,

  
Norberto R. Duarte  
President
