To Whom It May Concern:

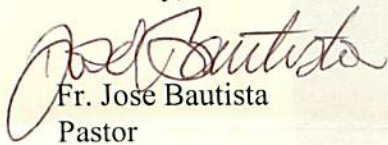

It is with great pleasure that I recommend Wilson & Company, Inc. General Contractors located at 1221 E. Broadway Street Suite 100 Oviedo, FL 32765. We have work with them for the past two years with the addition to the original Parish Building.

The original contract amount for the additions to our Parish was \$696,000.00. The contract amount for the recently completed renovation work to our sanctuary was \$80,000.00. Our Parish Sanctuary is located at 2750 E. Osceola Parkway, Kissimmee, FL 34745.

Wilson & Company has always displayed a high degree of integrity, responsibility and work ethic. In addition they are dependable, their employees are team players and they were always positive and flexible to accommodate us to our needs.

Their good judgment and mature outlook ensure a logical and practical approach to their endeavors. We will recommend Wilson & Company to work for any organization and would have them do more of our work with all the trust that they deserved.

Sincerely,

Fr. Jose Bautista
Pastor
